FIOR DI LAVANDA LINEN TABLECLOTH

\$680

DESCRIPTION

This stunning tablecloth is sure to impress in its captivating simplicity. Made of the finest white linens, it showcases delicately embroidered spirals evoking the grace of lavender flowers and the charm of southern French landscapes. The motif, rendered in white, is framed by a simple border around the edge. This fresh, natural yet refined style can be paired with linen napkins featuring the same embroidery for a complete look, perfect for both an everyday table and more formal occasions. Available in many sizes please contact the concierge for pricing.
