DESCRIPTION

This magnificent round frame was carved by hand and will be a superb addition to any home, thanks to its masterful craftsmanship and the elegant shape of the wood's sinuous patterns. An elegant addition to an entryway, a living room, or a bedroom, this piece of functional decor has an unpolished finish to show the natural texture and color of the wood, but it can be made in any color. Please ask the concierge if this customization affects the price of the item.
