FIORE SET OF CERAMIC DINNERWARE FOR ONE

\$450

DESCRIPTION

This exquisite set of ceramic plates is comprised of a one flat dish, one deep soup dish, one fruit bowl, and one serving plate. The light grey of their surface has a satin finish and features darker decorations reminiscent of the shape of flowers adorning either their bottom or the edges. Each dish was hand-colored and is completely unique. Some changes are to be expected from each piece, due to the handmade nature of their crafting.
