FIORI CHIARI CASHMERE BLANKET

\$2,490

DESCRIPTION

This superb blanket is crafted of 100% soft cashmere. It was entirely handmade to create a sumptuous feel with a design reminiscent of traditional 16th-century stylized floral motifs in grey, standing out over a deep crimson background. This exquisitely tailored blanket strikes a balance between fashion and design as a stunning throw for a luxury living room sofa, a cozy blanket for an elegant bed, or accent piece over an armchair in the study.
