FIORI DI TERRA 21 CENTERPIECE

\$490

DESCRIPTION

This centerpiece is both a decorative and functional object displaying a composition of handcrafted terracotta fruit, flowers, and leaves given a final glossy, crystal finish. These unique decorations are supported by a 1950s tray that shows charming signs of wear and tear for a vintage effect that is enhanced by the presence of bits of precious Capodimonte porcelain. One of 23 pieces part of the exclusive Fiori di Terra collection, this object will make a statement in any decor.
