FIORI DI VETRO NERI CHARM

\$160

DESCRIPTION

Part of the Fiori di Vetro Collection, this elegant charm is a versatile piece of jewelry that can be added to a personal collection or gifted on special occasions. At the center of the single stranded structure stands a stunning black vintage lampwork glass bead decorated by hand with a floral design flanked by gilded and red gilded bronze beads and a freshwater pearl. This piece can be used as a keychain, pendant on a choker, or single earring, paired with another charm from the same designer to create a personal look. Available also in gold.
