FIRENZE BOTTLE WITH GOLD BAND

\$110

DESCRIPTION

The effortlessly elegant silhouette of this mouth-blown glass bottle will be a splendid addition to any table to serve water or soft drinks with the glasses for the same Firenze Collection. The color combination of the light gray bottom and the clear top, highlighted by a gold band that separates the two sections, creates a captivating visual contrast. The perfect choice to enliven a table setting with sophistication, this bottle (25 H. x 11 ø cm) is also available with a platinum band.
