FIRENZE BOTTLE

\$105

DESCRIPTION

Simply styled with a classic shape, this mouth-blown glass bottle embodies the elegance and charm of the city that gives the name to the collection. A timeless classic that can be used both on an everyday table or on special entertaining events to serve water, juice or soft drinks, this bottle features a light gray base and a clear top. Given as a housewarming gift with any set of glasses from the Firenze Collection, this bottle is an elegant accent piece that will heighten the allure of any table setting.
