FISHEYE MOSAIC

\$9,180

DESCRIPTION

Glorious in its vibrant color palette and hypnotizing design, this mosaic will uplift any modern decor with its fresh personality. A linear wooden frame outlines the OSB panel onto which the mosaic comes to life, the juxtaposition of polychrome fragments in glazed ceramic assembled to recreate an eye-like profile in the midst of a triumph of differences in tones, shapes, sizes. Signed and supplied with an authenticity certificate, it is available in customized variants upon request.
