## FIXIE BLACK STOOL BY PEARSON LLOYD

\$1,640

### DESCRIPTION

Designed by renowned British duo Pearson Lloyd, this stool is part of a collection featuring colorful and versatile pieces for a modern or contemporary home. It features a functional tubular structure that is sculptural and elegant. This piece revolves 360 degrees and its height can range from 68 cm to a maximum of 80 cm. The black metal frame matches the cover on the comfortable top cushion (upholstery non-removable). Either displayed with twin stools, or combined with others in different colors, this piece will make a sophisticated statement. Contract and commercial certifications available upon request.
