## FLAME DESIGN PEACOCK VERONESE SET OF 4 PLACEMATS

\$115

### DESCRIPTION

This vibrant and sophisticated set of four cotton placemats will be a creative backdrop for casual meals with family and friends while not renouncing sophistication. Flanked by differently sized stripes alternating in green, pink, and blue, the main mirrored, geometric motif in peacock-blue is rendered in a splendid gouache-like effect. The mats are deftly printed following the manual "block print" technique for truly unique pieces.
