## FLAME N. 1 SCULPTURE

\$940

### DESCRIPTION

This striking sculpture is part of the Flame collection and features a square base with a vertical structure in unpolished iron, supporting an extruded polyurethane body shaped like a dancing flame, with a stucco finish that gives it a dynamic texture, painted in precious gold leaf. The top clear epoxy resin adds a protective layer to this unique piece of decoration that will enliven an entrance or a living room, either alone or paired with Flame N. 2 Sculpture.
