FLANGED PILLOW SHAM FIRECRACKERS

\$410

DESCRIPTION

Part of the Firecrackers collection, this cotton pillow sham is true to its name, bursting with energy in the lively golden decoration printed and embroidered on its front. A special addition to a modern interior, this piece was made of cotton sateen 300 TC and can be combined with the others in the same series to adorn a bedroom or guest room. It was inspired by traditional bedding that Sand Tabù founder, Luisa Bezzi, found in her childhood home.
