FLEXBALL RAZOR IN ORYX HORN

\$230

DESCRIPTION

The exquisite handle of this razor is in oryx horn. This piece is entirely handmade and unique and, because of that, dimensions can slightly change. The handle is set with a Flexball head for Gillette Fusion and Fusion Proglide razors (but it is possible to mount Mach3 razors upon request). A neodymium magnet positioned inside the handle allows it to be hanged.

DETAILS & DIMENSIONS

- Material: Horn
- Dimensions (in): 0.79 x 0.79 x 5.91
- Dimensions (cm): 2 x 2 x 15
