LIGHTING : PENDANTS

*Purho*

**FLIK DARK GREEN CEILING LAMP**

\$1,790

## DESCRIPTION

A pop of warm color and a stunning addition to a contemporary decor, this ceiling lamp was designed by Karim Rashid for Purho and crafted by master artisans in mouth-blown Murano glass. It features a cascade of dark green-colored shades, whose sinuous shape poetically evokes the silhouette of drops of water and at the same time the flickering flame with which the glass is forged.

## DETAILS & DIMENSIONS

- Material: Murano glass
- Handmade In Italy
