FLINT COFFEE TABLE

\$8,750

DESCRIPTION

Part of the Flint collection, this coffee table is a magnificent complement to a modern living room and can be safely displayed in an outdoor terrace or patio. Either as unique centerpiece surrounded by seatings or combined with the Flint Nesting Tables, this is a striking object that creates a strong focal point, while also providing a generous showcasing surface. It was handcrafted of terrazzo, combining cement and fragments of marble. Inserts of metal mark the connections of the round top with the legs, adding a contrasting and warm accent to this mesmerizing piece.
