## FLINT HOURGLASS AND SPHERE SET

\$2,320

---

### DESCRIPTION

This set is part of the Flint collection and will add a bold yet refined accent to a modern interior. The set comprises two decorative pieces both crafted by hand of terrazzo, a mix of cement and black marble fragments, and decorated with brass inserts for a striking contrast. The sphere (D 14 cm) rests on a brass ring for stability and can be used also as a stunning paperweight. The hourglass (D 12 cm, H 16 cm) is a unique design that can be used as a bookend. Each piece features soft beveled edges and pure geometric shapes. Terrazzo is made of natural marble chips and involves a hand-made process; hence inconsistencies are expected and each piece is unique.
