## FLINT HOURGLASS

\$1,250

### DESCRIPTION

Part of the Flint collection, this hourglass is a stunning decoration or functional bookends when purchased as a pair for a modern home, on a bookcase, console or desk. Its unique silhouette combines curves and straight lines in a symmetric interplay that is harmonious and solid. The cross-shaped structure in metal supports the two half-spherical elements crafted of terrazzo, a mix of grey cement and chips of charcoal and black marble. Entirely handmade, this piece can show slight variations from the photo. Terrazzo is made of natural marble chips and involves a hand-made process; hence inconsistencies are expected and each piece is unique.
