## FLINT SHORT NESTING TABLE

\$6,290

### DESCRIPTION

This short nesting table is part of the Flint collection and can be displayed alone or paired with its tall counterpart to add precious display surface to a modern living space or a contemporary terrace or patio. Its food-safe treatment makes it a versatile piece also for entertaining. Entirely handcrafted, its minimalist silhouette is made of terrazzo, a mix of cement and chips of marble. The delicate color combination is enriched with metal inserts on the legs in the shape of circles to mark their connection to the top.
