FLINT VESSEL CHARCOAL

\$110

DESCRIPTION

Elegant and entirely handmade, this Vessel bowl is part of the Flint collection. It can be used as a modern dining experience with a food-safe coating, resulting perfect for Hors d'oeuvre or ice cream. The base of the vessel features solid brass WANG logo. The black terrazzo surfaces delicately complement the grey marble chips. The geometric collection is curated in a way that accessories can be playfully stacked and interchanged, allowing for flexible usage and the opportunity for multiple personal arrangements. Terrazzo is made of natural marble chips and involves a hand-made process; hence inconsistencies are expected and each piece is unique.
