## FLOAT YELLOW COFFEE TABLE

\$3,800

### DESCRIPTION

A brilliant reference to the irregular and generous shape of icebergs, this coffee table belongs to an exquisite series of ottomans available in a broad array of sizes, among which the largest size becomes a practical coffee table thanks to a precious Roman travertine top. Also functioning as an ottoman or footstool, it features an ochre yellow super leather-upholstered base of clean and sleek character. Please ask for further details and customization options.
