**FLOAT YELLOW SIDE TABLE**

\$1,740

## DESCRIPTION

This elegant object of functional decor will imbue a modern dining room or living room with sophistication, providing two practical surfaces to hold and display everyday items, food and drinks, and collectibles. Its linear structure is crafted of brass with a black wax-based finish. The bottom rectangular shelf is in black glass, while the top one, which can be extracted and used as tray, features delicate round corners and a bottom in yellow glass with abstract decorations. This side table is also available in blue.
