## DESCRIPTION

Defined by its crisp, clean lines, this stunning floor lamp brings a touch of modern style as it brightens any interior. Topped with a white fabric drum shade, the black-finished metal body comprises a round plate base and two slender rods with an upside down L shape, joint with a medallion bearing the company logo. This refined floor lamp can be displayed together with the table version in a living room or set in a pair on opposite ends of a large entryway to create a captivating and welcoming ambiance.
