**FLOORFRAME FLOOR LAMP IN CARRARA MARBLE AND BRASS**

\$5,040

## DESCRIPTION

This exquisite lamp features a structure in brass that creates an elongated rectangular shape that will give a touch of modern sophistication to any decor. The LED lights, which run throughout the structure and can be dimmed, will create unique effects, depending on the position of the lamp in a room. The base is in fine Carrara marble and elegantly complements the warm glow of the brass. It can also be in copper or brass.
