FLOORFRAME FLOOR LAMP IN WHITE ONYX AND IRON

\$3,610

DESCRIPTION

Striking and modern, this exquisite lamp rests on a square of white onyx stone and its structure, entirely made in iron bars with a square section, forms an elegantly elongated rectangle that evokes the shape of a tall and narrow window. On the inside of the structure, LED lights run to illuminate the surrounding area. A contemporary sculpture when turned off, this light also creates unique effects when lit and will be complementing to any decor, particularly a modern one.
