FLORAL 6-DRAWER POLYCHROME SIDEBOARD

\$5,290

DESCRIPTION

A sharp yet harmonious chromatic conflict between the intense teal of the clean-lined structure and the ecru tones of the doors' front emphasizes the stylish personality of this sideboard. Raised on a sturdy, black-finished iron base, the frame offers ample storage space for flatware and tablecloths thanks to six drawers adorned with a poetic motif of flowers, birds, and butterflies. Please consult the Artemest catalog for other colors and designs.
