**FLOREA SIDEBOARD BY GIOVANNI LUCA FERRERI**

\$70,290

## DESCRIPTION

This sophisticated sideboard is made of wood with a carbon-black finish and features a top in precious white Calacatta marble. The exquisite decorations on the front and side panels combine bevelled and hand-engraved mirrors with an antiqued finish that create a captivating contrast with the stainless steel feet and supporting base. An imposing piece that will make a statement in a modern or vintage-inspired home.
