FLORIAN SMALL TABLE LAMP BY FILIPPO DINI

\$2,820

DESCRIPTION

Eccentric and sculptural, this exquisite table lamp by Filippo Dini masterfully enhances the dark horn's natural veining, which is the focal element of this refined object. The supporting structure is also enriched by gunmetal brass details with exposed screws and it is balanced by the rectangular lamp shade in stunning, white linen with black grosgrain trimmings. Several finishes and dimension options are available upon request, please ask the Concierge for further details.
