FLOW MODULAR CABINET SYSTEM

\$3,190

DESCRIPTION

Ecological and multifunctional, this modular system is handcrafted of FSC-certified solid Valdifiemme fir wood sourced from Trentino Alto Adige and finished with linseed and citrus oil. It features nine modules to use singularly or combined, based on the purpose. This unique piece can be used as a stool, shoe rack, bench, bedside table, container, small side table, or bookcase. The base modules are slightly curved for functional-aesthetic purposes. Customizable upon request to the Concierge.
