FLOWER GARDEN CARPET

\$4,290

DESCRIPTION

This elegant and comfortable rug is soft to the touch and its decoration is dynamic and striking, and is achieved with the "Pibiones" technique, a traditional Sardinian weaving technique with geometric designs that represent a stylized "blooming bird". The pure Sardinian wool features three main colors: ivory for the flowers, gray for the bird, and black for the background. In this carpet, tradition and innovation are effortlessly weaved together.
