## FLOWER THRONE CHAIR II

\$3,760

### DESCRIPTION

Part of a stunning collection of Throne chairs, this piece is crafted using old wood reclaimed from 16th century floors. The stunning silhouette is made of a sturdy and low base with an elongated backrest in the elegant shape of a budding flower. Mixing larch, pine, fir, and Swiss pine, this piece boasts one-of-a-kind marks of time and will be a superb addition to a rustic, contemporary, or eclectic home as an accent piece or dining chair. Polished with real beeswax, this object of functional decor is a work of art to be passed down for generations.
