Tiziana D'Ambrosio

FLOWERS AND MONKEY ON MY HEAD PLATE #1

\$1,265

DESCRIPTION

This elegant painting on the plate is part of two pieces of Flowers collection. The white ceramic with a glossy finish is adorned with a painting of a naked woman with a wise monkey on her head surrounded by flowers, evoking the proverbial Japanese Buddhist principle "see no evil, hear no evil, speak no evil". The brushstrokes on the plate of the artist Tiziana D'Ambrosio emphasize the aesthetic value of the human body, celebrating its elegance through a strong three-dimensionality.
