### FLOWERS AND STORKS ORANGE PANEL

\$2,690

#### DESCRIPTION

A superb homage to Japanese art, this wall covering is part of a series of five designs portraying storks and stylized flowers in different colors. In this case, the rich crimson is punctuated by white, gold, and pink colors for a warm and luxurious effect. This decoration is available as vertical boiserie over a 135 x H 200 cm panel in wood honeycomb, or as fabric. The fabric is available in sheets measuring 140 x H 200 cm. Please ask the Concierge for options and details.
