FLOWERS EARRINGS IN TITANIUM, SILVER AND SAPPHIRES IN GREEN

\$750

DESCRIPTION

This charming pair of earrings is part of the Flowers collection and was made entirely by hand with the MB logo engraved in the back, which is in silver. Their shape depicts an open flower and is made in and .925 silver per .80 grams and titanium (naturally non-allergenic) with a slightly shimmering green finish obtained through oxidation. Inside, each piece is adorned with a natural blue sapphire for a total of .22 carats. The titanium decoration can be removed and the central precious stones can be used alone. It is also possible to add other optional flowers in pale blue, blue, natural grey, gold color, fucsia, or purple and to make the pieces clip earrings. This set comes in a case with a certificate of authenticity.
