FLOWERS SATIN BRASS MEDIUM SIDE TABLE BY STEFANO GIOVANNONI

\$1,630

DESCRIPTION

This playful coffee table will make a statement in any decor, particularly a contemporary one, thanks to its fine craftsmanship and the use of brass. A small round base supports the central structural stem on which the top rests, in the shape of a stylized flower. A charming piece of functional decor, this coffee table will be an ideal addition to a living room and can be paired with other brass pieces from the same designer.
