FLOWERY 36-LIGHT WHITE PORCELAIN CHANDELIER

\$66,395

DESCRIPTION

A statement of grandeur that means a pure celebration of Capodimonte porcelain, this chandelier is a never-ending surprise from any angle and detail the eye decides to lean on. A triumph of painstakingly crafted, tridimensional floral elements in pure-white porcelain makes its flared silhouette so breath-taking, providing ambient light thanks to a total of thirty-six bulbs sustained by as many upward-facing arms arranged in three tiers.
