FLY 14 CARPET BY FABIO DE POLI

\$6,180

DESCRIPTION

Designed by Fabio de Poli, this carpet was tufted by hand using 100% wool. Its warm colors, featuring mustard yellow, bordeaux, and black, create a stylized scene with the striking profile of an ibis that appears to be drinking off a black vase. The bottom part of this poetic representation is more abstract but uses the same colors as the top. Impeccably made, this piece of decorative art is a statement that will be the protagonist of any floor.
