**FO.GO YELLOW MURANO GLASS SET OF 3 CANDLES**

\$210

## DESCRIPTION

Bright yellow and full of colorful specks, the FO.GO Yellow Murano Glass Candleholder gets its name from the Venetian word for fire - fogo - dating back to the Repubblica Serenissima. Blown by craftsmen on the island of Murano, the candleholder appears to be made up of scraps swept off the floor and transformed into something new. Scented candle included.
