FOGLIE DI PALMA WALLPAPER #1

\$295

DESCRIPTION

Inspired by nature, this magnificent wallpaper features a close-up of palm leaves hand-painted in green captured in vivid details. Swirls of black color, beige and ivory enrich the captivating perspective of this piece that will infuse a relaxing atmosphere in any room. Handcrafted of high-quality, washable, ecological paper, specific support materials are used to achieve the best visual effects. This wallpaper will boldly shape the aesthetic of any interior in both residential and commercial settings, giving it a unique personality. Price is intended per squared meter.
