FOGLIE OVAL TABLE

\$2,640

DESCRIPTION

This captivating table is part of a series of tables featuring inserts of various materials designed to set a vibrant mood in any interior. Sculptural yet functional, this table features a poplar plywood top with irregular edges finished with an autumn-inspired palette of water-based colors and enriched with leaves collected in autumn. A final epoxy resin coating sets this suggestive landscape, preserving the leaves' color. Legs are in natural steel covered with wax. Please ask the Concierge for availability of similar, fully-customizable tables crafted using the same techniques and materials.
