\$3,950

DESCRIPTION

Boasting the one-of-a-kind veining of the Sahara Noir marble, with striking white streaks punctuating the deep black background, this coffee table will imbue with lavish allure both a classic and a modern interior. Its simple silhouette comprises the round top supported by three metal legs that were treated with a galvanic finish for a matte black color that matches the top. This stunning piece can be displayed alone in a living room or combined with the others in the same series for a complete look.
