FURNITURE : SEATING : CHAIRS

*Vittorio Bifulco Troubetzkoy*

**FORMA CHAIR**

\$1,210

## DESCRIPTION

This exquisite chair is entirely made in corten and stainless steel. The corten steel eliminates the need for painting and forms a stable rust-like appearance if exposed to the weather for several years. The structure plays with a simple silhouette where empty spaces pierce through the structure, which was entirely bent and welded by hand. Thanks to its materials and rigorous lines, this chair is perfect to be used in a contemporary decor.
