FORTE DEI MARMI A RUG

\$12,650

DESCRIPTION

This eye-catching rug is part of the Marina Collection and its name comes from a refined coastal town in Tuscany. On the white Himalayan wool base, delicate pink jellyfish dance underwater, with their ethereal bodies highlighted in blue and orange and made of silk. This exquisite floor decoration is hand-knotted in Nepal by master craftsmen and is composed of 50% silk and 50% wool. It can have different colors, dimensions, and fiber combination upon request. Please ask the Concierge for options and details.
