SET OF 2 FRAMEWORK CHAIRS

\$890

## DESCRIPTION

The Framework collection is inspired by the idea of customization of simple, essential designs to fit specific needs, so each piece can be reinvented in a variety of combinations. In this case the beech structure of the chair has a black matte finish and a seat padded and upholstered in black fabric. The curved, open backrest conveys timeless character and versatility. This captivating chair can be customized in materials, decorative patterns and colors.
