FRAMEWORK SET OF 2 RED BRICK CHAIRS BY STEFFEN KEHRLE

\$720

DESCRIPTION

Boasting a vivid red brick color enriching the strikingly simple and contemporary beech structure with a curved, open backrest, this set of two chairs is skillfully designed by Steffen Kehrle for the Framework Collection. Inspired by the idea of customization of various types of functional designs to fit in with specific needs, each piece of this captivating set can be reinvented in a variety of combinations of colors and materials. Please consult the Concierge for options and information.
