## FRED BOW TIE CHAIR

\$1,440

### DESCRIPTION

A unique artwork that is both aesthetically and functionally appealing, this chair pays homage to Fred Astaire, the iconic dancer, singer, actor, and choreographer that defined the 1930s movie era. Crafted entirely by hand of iron, the squared, essential silhouette features a shiny silver eco-leather seat and a laser-cut backrest showing the actor's profile wearing a bow-tie (also laser-cut).
