FRENCH ART NOUVEAU-STYLE SIDE TABLE BY EMILE GALLÈ #6

\$6,650

DESCRIPTION

Dynamic curves trace the slender silhouette of this side table, faithful reproduction of an authentic French Art Nouveau piece (1880-1915) by Emile Gallè. Joined by a curved stretcher, they sustain the rectangular top combining prized woods to outline a superb and strongly evocative inlaid motif. Fashioned of beechwood, it is a true cabinetmaking gem.
