## FROG 5 WALL LAMP

\$840

### DESCRIPTION

Playfully called after the silhouette of a jumping frog with limbs and neck stretched out, this elegant lamp is a unique addition to a modern or industrial interior. Its structure is suitable for both ceiling and wall and its five arms, attached to a round base, can be adjusted to create different shapes. Designed by Christian Fenouil and entirely crafted of steel, this lamp is class II IP20. The voltage is 220-240V/50Hz (max 12W LED E27) with five included G125 7.5W LED dim 2700K 806 LM bulbs. Available in other finishes and entirely in brass, please ask the Concierge. Contract and commercial certifications available upon request.
