**FRUTTA CENTERPIECE**

\$3,300

## DESCRIPTION

This elegant centerpiece is a deep dish entirely made in solid silver whose internal surface is textured with the classic hammered surface, while the lip is intricately adorned with a magnificent chiseled decoration that depicts a garland of leaves, grapes, and other fruit. This classic piece is a timeless addition to a dining room and can be used in a variety of ways to serve small food on a table or to display flowers or small everyday items in an entryway.
