FRUTTA ROUND CENTERPIECE

\$730

DESCRIPTION

This magnificent piece is a celebration of artisanal expertise and timeless style and will make an elegant statement in any interior. It is made entirely in silver and its round, deep shape features a lightly hammered surface whose center and internal sides are adorned with a chiseled decoration depicting a rich composition of fruit. This centerpiece can be used to display or serve small fruit on a dining table, or it can store small everyday objects in an entryway, bedroom, or even a bathroom.
